

Legislative Contacts

"As reauthorization of NCLB continues, you may wish to share your opinion with the elected officials who represent you. This Legislative Contact List begins with the Governor, Senators, and Congressmen by Congressional District. If you choose to contact your Senator's or Congressmen's Office, you may wish to consider asking who is the staffer who handles the education issues for your Congressmen - that will save you time and effort."

Gov. Edward G. Rendell (D)

717-787-2500
Fax:717-772-8284
