

News Update from PAFPC

- See the President's blueprint for reauthorization of the Elementary and Secondary Education Act (formerly called NCLB)

<http://www2.ed.gov/policy/elsec/leg/blueprint/blueprint.pdf>

- You should also take a look at the Center for American Progress recommendation for revising the Title I funding formula. It suggests eliminating the four current funding formulas and using a “Comparable Wage Index” to assess state effort/costs for education.
